2019 Annual Report

Our Mission

Colorado Counties, Inc. is a non-profit membership association of and for county commissioners and consolidated “city and county” councilmembers and mayors. Each CCI affiliate is designed to represent and enhance the organizations’ ability to provide the best services and solutions available for county government, including legislative and regulatory representation, education and research, as well as venues for facilitations and the exchange of ideas. CCI is governed by a board of directors consisting of eight county commissioners from across the state, who also serve on the boards of CCI’s affiliate organizations. CCI’s legislative policies are determined by nine subject matter-based steering committees. CCI also has five geographically-determined districts that provide opportunities for regional discussions and cooperation.
