

# HB20-1143: Environmental Justice and Projects Increase Environmental Fines

Colorado Department of Public Health & Environment

Air Pollution Control Division, Stationary Sources Enforcement Data<sup>1</sup>

**Total Cases Initiated/Settled**

EPA Fiscal Year	Total Number of Cases Initiated	Total Number of Cases Settled
FY 2011-2012	100	139
FY 2012-2013	135	156
FY 2013-2014	107	135
FY 2014-2015	70	171
FY 2015-2016	156	109
FY 2016-2017	83	198
FY 2017-2018	75	154
FY 2018-2019	145	237

(1) Includes data for all enforcement actions, for Oil & Gas sources and non-Oil & Gas sources, during each EPA fiscal year (October 1 through September 30)

**Total Penalties Assessed/Collected<sup>1</sup>**

EPA Fiscal Year	Penalties	SEPs	Total Penalties
FY 2011-2012	\$1,397,997	\$1,944,858	\$3,342,855
FY 2012-2013	\$1,507,618	\$346,950	\$1,854,568
FY 2013-2014	\$1,944,068	\$680,800	\$2,624,868
FY 2014-2015	\$2,756,960	\$2,252,140	\$5,009,100
FY 2015-2016	\$786,717	\$350,020	\$1,136,737
FY 2016-2017	\$1,376,615	\$410,160	\$1,786,775
FY 2017-2018	\$1,844,669	\$1,604,640	\$3,449,309
FY 2018-2019	\$1,991,316	\$1,204,860	\$3,196,176

(1) Total penalties also include the economic benefit derived from non-compliance, as well as Supplemental Environmental Projects (SEPs) which help the local community and environment, and can be used to offset some of the cash penalty. All cash penalties go to the General Fund.
