To Whom it May Concern:

I am writing in support of the passage of HB19-1263.

Twenty-nine years ago I was convicted of possession of a controlled substance and earned two felonies because of my addiction. I was fortunate enough to be given the option of drug treatment in lieu of prison. I completed the program in Jamaica Queens, N.Y, which also included the re-entry portion of my required sentence. Had I failed, there would have been a warrant issued and I'd be in prison.

I am so grateful that didn't happen. I have gone on to have a license in a medical field— Chinese Medicine-both acupuncture and Chinese Herbology. And the best thing of all is I get to help others from many walks of life.

I had a few angels along the way. I am beyond grateful.

Please pass this bill.

Sincerely,

M.K. Christian, M.A., L.Ac, Board Diplomate.
