

SB20-178: Women Veteran Disability License Plate Fact Sheet

Sponsors: Senator Zenzinger & Senator Danielson,
Representative Carver & Representative Michaelson-Jenet

SB20-178 addresses a lapse in representation for those who are Disabled Women Veterans, where there are no regular or handicapped plates available. As of now, there are regular and handicapped plates for Veterans, Disabled Veterans, and Women Veterans.

Disabled is a type of veteran:

- It confers benefits for license plates, fees, and national parks.

Handicapped is a designation under the DMV:

- It confers parking benefits.

This bill provides a regular and handicapped license plate and benefits for those who are Disabled Women Veterans.
