

# WARREN TECH

**IN A NUTSHELL...** Warren Tech, the premier career and technical education (CTE) center for Jeffco Public Schools, is the springboard to a competitive edge in college readiness and career opportunities. An extension of every Jeffco high school, over 30 innovative programs offer dynamic learning opportunities that integrate high school credit, including core academic math, science, and English, to keep students on track for graduation. Students earn free college credit and industry certifications, and experienced faculty work with industry partners to engage students in rigorous college-level work and professional projects, including internships and apprenticeships. Warren Tech develops students who are competitive in today's high-tech society and global economy.

**“** Better I see skilled hands do it, than simply hear voices say it. **”**  
 ~“Pi” Warren, Founder of Warren Tech

THE BIG THREE

- 1 CAREER-FOCUSED**  
 Industry partners. Check. Internships. Yep. Real-world learning? Of course. At Warren Tech, students can earn industry certifications, complete client work, and participate in job shadowing. What comes after high school, *now*.
- 2 COLLEGE-READY**  
 13,000 college credits earned in 2018-2019 - for FREE. Warren Tech provides an opportunity for students to earn their Associate Degree while in high school. In every Warren Tech program, students earn 1.5 credits toward H.S. graduation, too.
- 3 COMMUNITY-RICH**  
 NASA. Never Summer Industries. Subaru. Impressive, huh? At Warren Tech, students work with big-name community (and national) partners, for authentic experiences and the opportunity to work with real-world problems.

## SCHEDULE

MORNING SESSION	AFTERNOON SESSION
7:30 am - 10:30 am	12:00 pm - 3:45 pm
Monday - Friday	Monday - Thursday

In 2018-29, attendance was at 93%.

Warren Tech gets students college, career, and future ready.

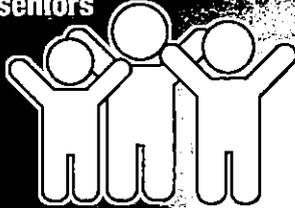

## At Warren Tech...

Dive into your passion. Be with people who love what you love. Try out what you're interested in, now.

1,404 juniors and seniors

attend two campuses (Central and North).

FAST FACTS

Warren Tech is an extension of 37 high schools.

Our students attend WT for half-the-day, three hours a day.

WARREN TECH

Warren Tech encompasses

**Academic skills**  
**Technical skills**  
**Employability skills**

These skills are not taught in isolation, but infused into our daily practices.

In 2018-19, students earned 1,062 industry certifications,

and completed internship and apprenticeship experiences.

Warren Tech has 30 innovative programs.

Industry partnerships (with companies like NASA, Never Summer, and Subaru) help students leave WT with a competitive advantage.

In 2018-19, students earned 12,899 free college credits (\$1.9 million dollars worth).
