

Who Gets Payments for Services in Medicaid

Provider Accountability

- **Look at:**
 - **Providers with cost-based rates or those with rates based on cost**
 - **Federally Qualified Health Clinics**
 - **Hospitals**
 - **Nursing Facilities**
 - **What you're paying for matters!**

3 Provider Types

+40% of Medicaid Expenditures

- FQHCs:
 - Already receive audited financial statements and costs
- Nursing Facilities
 - Already receive audited financial statements and costs
- Hospitals
 - HB 17-1236 provides the department with audited financial statements and timely cost reports

Hospital Data from CHA
