Public Health Care and Human Services Committee
Chairman Representative Dianne Primavera
Reference: HB16-1058

Dear Representative Primavera,

This letter is in support of the above bill from the County Sheriffs of Colorado. The Sheriffs feel that this bill is more realistic in regard to the penalty that a juvenile would face rather than a felony as in the present statute. Should you need anything further from the Sheriffs, please feel free to contact us.

Sincerely,

A handwritten signature in black ink that reads "Chris Johnson".

Chris Johnson
Executive Director
